# 2006 MJM 34z Downeast

Boat Type: Downeast

Address: Lower, NY, US

Price: \$339,000

## OVERVIEW

This is the 34z you've been waiting for. Meticulously maintained, routinely upgraded and gently used. This "z" has the larger 480 hp Yanmar, which cruises easily at 25 kts, burning just 10 gph. Top-end is over 30 kts.

A bow thruster, generator, air conditioning and full electronics, including auto pilot, complete the package. Cushions and canvas are all in great shape, and her 2009 black Awlgrip gleams.

This one will not disappoint – call today to arrange a personal showing.
